

Never using Freezers, Fryers or Microwave Ovens, all meals are prepared with only the **freshest ingredients** , daily.

Our unique, custom-built, **1000°** anthracite coal-oven draws out intense flavor quickly, all while leaving toppings al dente and imparting a subtle, smoky flavor to our crust.

Never taking shortcuts sets us apart from the rest. This is not your everyday pizza, but pizza you can eat everyday.

“Tony Sacco’s...It Just Tastes Better”
