here's a little about

THE NOOK

In 2012, we were looking to start a new chapter in our lives. After a lot of research, we decided to join a fast-growing breakfast, lunch franchise group whose core values, making great meals and building relationships within the community, matched our own. We opened this location in March of 2013. Delivering great food with friendly service, making new friends and supporting our community has been our passion ever since.

In 2019, we were given the opportunity to become a true mom and pop restaurant. So... The Nook was born! Our new concept will continue to focus on serving the freshest ingredients while adding some new twists to some old favorites. Soups and sausage gravy made from scratch; fresh baked biscuits and new fresh juices all served by our friendly staff in a cozy atmosphere.

Giving back to the community we serve will continue to be our greatest passion. We are proud to sponsor events at our local schools and partner with organizations to improve the lives of our neighbors.

We invite you to sit back, relax and enjoy an amazing meal while making lasting memories with us.

Thank you for visiting us today.
